## ***“A LETTER FROM THE PRESIDENT”***

Dear Fellow Equestrians

Can you believe it – the 2006 show season is almost here! Starting off our season is the 2<sup>nd</sup> Annual Gymkhana Show which will be held on May 13<sup>th</sup>. We are getting the arena in show shape by having two tractor loads of sand brought in on April 13<sup>th</sup>. We will work it in and have it ready for the show season. We are hoping that the sand along with the tremendous amount of dirt that was moved from the North end and shuffled around and dredged outside of the arena will give the arena better drainage this year.

I want to thank Bill Bayless from Cargill Animal Nutrition for speaking at the April meeting, it was very informative.

The club is going to do the St. Jude trail ride to raise money for their organization; the date is set, June 25<sup>th</sup>, 2006, however the place and time are not. Call or e-mail Beth Brown with your suggestions. The trail ride is open to all! Let's show St. Jude's that this horse club cares and shares. So get your sponsors lined up. No amount is too little or too large.

Our next work day is scheduled for April 22<sup>nd</sup>. Andy is cooking, so bring a dish, chips or a dessert to share. Bring a small shovel & a pair of gloves because we need to dig around the outside of the arena, paint and pickup trash. Reinhardt Building will once again provide us with the paint and brushes.

The Pleasure and Speed show bills should be printed and ready to be distributed by the end of this month. The Gymkhana show bills will be ready by the end of this week and will be posted on the web site at [www.lincolntrailriders.com](http://www.lincolntrailriders.com) A special thanks goes out for John & Chalice Kilgallon for the time and hard work they have put in on the Gymkhana show, advertising with the web site and the 2006 show bill. Way to go John & Chalice!!!

Special thanks also goes out to Ernie Hillaker for the extra time he has taken to help us with getting the arena in show shape. One last but not least thanks goes out to all of the LTR club members who help our club stay strong. It takes a lot of time to make this club work and without all the members that put in the extra effort this club would not last.

Tom Freeman
