Club Meeting ~ June 10, 2003

NEW MEETING PLACE! The Katy Cavin's Center in O'Fallon is getting too expensive. Jerry Rock has arranged for a meeting room upstairs at the St. Clair Bowl ~ 5950 Old Collinsville Road in O'Fallon. It's just down from where Bobby's Nightclub & Restaurant (and Rodeo) used to be. They only ask that we don't bring food and drinks into the meeting. They have refreshments to purchase there. The second Tuesday of each month, at 7:30pm, we'll now meet at the St. Clair Bowl in O'Fallon.

Tami Lange suggested a mini Endurance Ride at her place. The suggested date was July 12th with one group starting at 9am and another at 10am. Any who aren't interested in the Endurance Ride can always just do a Trail Ride. The Endurance Ride will be based on a three mile *endurance workout pace* and then come in for a "vet check" (Tami will be taking pulse, checking gut sounds, hydration, trot out and hopefully show some vet cards). If a horse is already fit, they can do both loops and see how their horse recoveries are different based on the level of exercise. Basically, any of the horses that are ridden in the Speed/Pleasure shows should be able to complete three miles.

The St. Jacob Parade is the 18th & 19th of July. This is a nice easy, flat route that is great for horses that haven't experienced a parade yet. Meet at the St. Jacob Park half-hour before the parade begins. We need some volunteers for "Pooper Scoopers". We have two rolling muck buckets available. If you'd like to be in the parade, or for more info or directions to the park, call Dianne at (618) 644-3655.

**Got something to sell? Call or e-mail Dianne by the 25th
(618) 644-3655 or silverrose@hometel.com**

Note: This came through the grape vine (e-mail, actually) thought I might pass it on...

Hate Mosquitoes? Try this, it's easy and inexpensive:

Put some water in a white dinner plate and add just a couple of drops of Lemon Fresh Joy dishwashing soap. Set the dish on a porch or patio. Not sure what attracts them, the lemon smell, the white color, or what, but mosquitoes flock to it, and drop dead, or fall into the water, or on the floor within about ten feet. Works just super!

•Please collect your Farnham Wormer (Rotectin I, Rotectin II, and Zimmetrin) UPC codes. Send them in to Dianne Doll or bring to the next meeting and the club receives CASH! Farnham just sent the club a check for \$107! This is an EASY FUNDRAISER ~ Trash for Cash. Please don't throw those UPC's away, send them to:
