To compete in high point, the high point application form must be turned into the Show Chair Person, Linda Freeman, before the day of the first show. If not submitted before the first show, points will not start incurring until the form is submitted. If the form is submitted the day of a show the points will not be counted for that show but will start counting for the next show.

Membership fees must also be paid before submitting high point to compete.

To compete in speed or pleasure high points or both you must work a show from each division. There are no longer drop dates. For example; if you are only showing in speed classes for high point, you must work a speed show and a pleasure show, vice versa.

Please schedule your work dates with Leslie Woodruff 618 977-0998.

Please mail or bring to one of the meetings the high point applications to: Linda Freeman , 901 Grand Paradise Lane, Caseyville IL 62232
