Committee's reports:

Parade Committee Update provided by Walter Chitwood

No New Report

Trail Ride Committee Update provided by Sharon

No new report

New Business:

Mike brought up that we need to work on the electric and see if we can't get the road in better shape.

Election committee still is looking for a secretary, anybody interested please contact Tom or Cindy.

Cindy has brought up having a trivia night with a traveling trophy, we had a trophy donated and we just need to put a plate for it. Cindy is going to check into dates for the trivia night and discuss at the next meeting.

We will check into the Hollywood heights fire station and Tom's New barn for places to have the trivia night.

Melissa and Rosalind volunteered to help with the trivia night.

Melissa brought a motion to the floor to have Linda be qualified for high point, because she had worked so many shows, Linda had to miss her last work date because of surgery. Motion was voted in.

Don't forget the date of the Christmas Party/Awards Ceremony - December 6th. It is a good time for all.

Don't forget to start collecting all your useable goodies for the white elephant sale at the Christmas party.

Old Business:

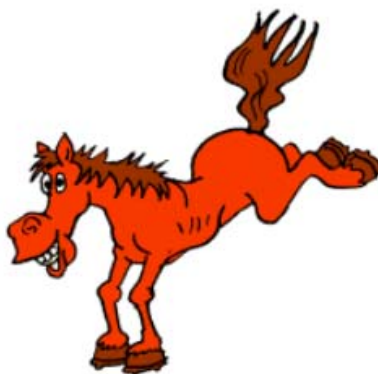

We discussed the web site John gave us a couple options and Tom will call to get more information, and bring up at the next meeting.

WILL TRADE LEASE FOR TRAINING

I have a beautiful, partly trained, 6 year old quarter horse paint gelding for lease. The lease fee is you train him for riding. I'm willing to house and feed him (at my place), you train, ride, show and enjoy him for 12-18 months. He would make a GREAT 4-H PROJECT HORSE! He is highly intelligent and very friendly - no chasing, he comes right to you. He's halter broke and knows how to lunge. Trainer Wendy Koerkemeier can vouch for his potential. I need him trained but I don't have the time or money right now. We're located just down the road from the Lincoln Trail Riders arena. Call 618-593-1995 & leave a message (it may take me a day or two to respond, I work retail.) I will also consider selling him or trading him for a reasonably calm, older horse whose already trained.

Fly Spray

Some of you have been asking for the recipe for the fly spray, here it is.

- 1 Cup Avon's Skin So Soft
- 1 Cup Vinegar
- 1 Cup Water
- 2 OZ Citronella
- 2 Squirts Dawn Dish Soap (blue)

Bryan Neubert will be presenting a horsemanship clinic on **November 14, 15 and 16** at Triangle H Farm in Edwardsville, IL. Bryan Neubert, the consummate horseman, who carries his skills with horses through his whole life. He travels the country part of the year conducting clinics. His videos [Wild Horse Handling, Introduction to Rawhide Braiding, and Advanced Rawhide Braiding](#) have received much praise. When not on the road, he starts colts and works with problem horses in Alturas, California. Come be a part of this legend. Clinics like this in our area are few and far between. The clinic fee is \$350 to ride and \$25 per day to audit. There will be two horsemanship classes split into morning and afternoon. Mail in your \$100 deposit to hold your spot in the clinic. 618-692-4823

Bryan was raised on his family's ranch near Salinas, California. In his teen years he became friends with neighbor Bill Dorrance. He spent all the time he could with Bill, working with horses and braiding rawhide. Since 1992, Bryan calls Alturas, California home. Alturas is located in the northeastern part of the state. He holds clinics at his home for part of the year and travels the United States and Canada the rest of the year helping people and their horses through his colt starting, horsemanship and cow working clinics. Bryan is eager to share what he has learned. He believes that he is constantly learning and considers himself to be a continual student of horsemanship.
